NDMS   *National Disaster Medical System **MRCSA Partner*

The National Disaster Medical System is a federally coordinated healthcare system and partnership of the United States Departments of Health and Human Services, Homeland Security, Defense, and Veterans Affairs. The purpose of the NDMS is to support State, local, Tribal, Territorial authorities following disasters and emergencies by supplementing health and medical systems and response capabilities.

OEM   *Office of Emergency Management*

OEM is a Pima County Department that works to prevent the loss of life and reduce property damage due to man-made, technological and natural disasters. They also assist municipalities and local governments with developing plans to ensure the highest level of preparedness.

PCHD   *Pima County Health Department*

The mission of the Pima County Health Department is to ensure the health, safety, and well-being of our community through leadership, collaboration, and education. Services provided include Consumer health and Food Safety, Education and Outreach, Preventive Health, Behavioral Health, Sexual Health, and Vital Records.

PSR   *Physicians for Social Responsibility **MRCSA Partner*

Physicians for Social Responsibility (PSR) has been working for more than 50 years to create a healthy, just and peaceful world for both the present and future generations. PSR advocates on the issues you care about by addressing the dangers that threaten communities, using our medical and public health expertise to:

- Prevent nuclear war and proliferation;
- Reverse our trajectory towards climate change;
- Protect the public and our environment from toxic chemicals;
- Eliminate the use of nuclear power.

TC3   *Tucson Collaborative Community Care*

Tucson Collaborative Community Care (TC3) is A program of the Tucson Fire Department, uniting the health care and social service communities to help those who call the emergency line on a daily basis to ask for help with things like diabetes medication, controlling anxiety, asking for doctors, and more.
